## Prevention

Actions to stop or avoid incidents.

## Mitigation

Measures that prevent an emergency, reduce the chance of an emergency happening, or reduce the damaging effects of unavoidable emergencies.

## Preparedness

Community's ability to respond when a disaster occurs.

## Response

Actions carried out immediately before, during, and immediately after a hazard impact, which are aimed at saving lives, reducing economic losses, and alleviating suffering.

## Recovery

Actions taken to return a community to normal or near-normal conditions, including the restoration of basic services and the repair of physical, social and economic damages.
